

The City of Harlingen is conducting 2 public meetings to gather input on the housing and community development needs in the city. By attending these meetings, you will be taking the first step toward helping the City set priorities on how funds will be spent over the next 5 years for housing, infrastructure, public services, and other essential services. We will also be conducting a Fair Housing Study to analyze the impediments to fair housing within the City of Harlingen. This study is required by HUD for receipt of federal funds for housing and community development activities. We invite you to attend and share your views on housing policies and practices.

J-QUAD Planning Group will facilitate the public meetings/focus groups.

## WHO SHOULD ATTEND?

- Industry Representatives involved in housing, fair housing, mortgage and housing lending and real estate issues. Representatives of housing developers / home builders, construction, mortgage finance and banking, nonprofit home builders, real estate brokers, appraisers and sale representatives, apartment owners or landlord associations, and chamber of commerce.
- City Staff, elected and appointed government officials, housing and social service agencies, fair housing enforcement and education providers, entitlement grant sub-recipients and non-profit organizations.
- The general public including representatives from neighborhood associations, tenant associations, churches and community organizations.
