## **ALLEGIAN HEALTHY PARTNERS**

**Allegian Healthy Partners** is a program designed by Allegian Health Plans to support and assist members with diabetes. Through the Allegian Healthy Partners Program members are able to obtain their diabetic supplies at no cost as well as have access to a case manager who assists in information/referral to community resources, educational services/referrals via internet sources or subsidiary programs. We believe improved monitoring will assist you and your physician to optimize control of your blood sugars and decrease long term complications associated with poorly controlled diabetes.

### **BENEFITS:**

- You may be eligible for free/discount diabetic supplies
  - syringes
  - testing strips
  - lancets
  - blood glucose monitor – one every 5 years (not to exceed \$100)
- Diabetic education
- Diabetic support groups
- Case management services
