Harlingen Parks: Enjoy the Beauty!

With over 1,200 acres of public park land, Harlingen is the place to go for hiking, biking, playing, and more. Our Geo-Quest will take you on a tour of our parks, downtown, and other landmarks unique to our city. As you locate the geocaches make sure to write down the code found in that log book on this passport. People who find 20 out of the 25 caches can turn in their passport for the Harlingen Parks & Recreation Geocoin. So grab your family or some friends and come enjoy the beauty of Harlingen.
