

Zagster Bike Share at McKelvey Park

How it Works:

1. **Join Zagster** — download the ZAGSTER app or online at zagster.com/join
2. **Borrow a bike** — Enter the bike's number into the Zagster app to get your code. Enter the code into the lockbox to access the U-Lock key.
3. **Ride, Return, and Lock** — Have fun and stay safe. Lock up the bike if you want to take a quick break. When you are done lock you bike to a Bike Share RGV Zagster station, end your ride in the app and close the lockbox firmly.
4. **Pricing** — There are three forms of memberships that you can choose from; annual, monthly, and hourly. There is also an annual membership fee of \$35.00.
