SBA Tops \$10 Million in Disaster Assistance Loans

SACRAMENTO, Calif. – Director Tanya N. Garfield of the U.S. Small Business Administration’s Disaster Field Operations Center-West announced today that SBA has approved more than \$10 million in federal disaster loans for Texas businesses and residents impacted by the severe storms and flooding that occurred June 24-25, 2019. According to Garfield, SBA has approved \$476,100 for businesses and \$10,170,600 for residents to help rebuild and recover from this disaster.

“SBA’s disaster assistance employees are committed to helping businesses and residents rebuild as quickly as possible,” said Garfield. Businesses and residents in Cameron, Hidalgo and Willacy counties who sustained damages are encouraged to register prior to the Sept. 16, 2019 deadline with the Federal Emergency Management Agency at www.disasterassistance.gov. “Don’t miss out on any assistance you may be entitled to by not registering for help. You don’t need to wait for your insurance to settle or obtain a contractor’s estimate,” she added.
