Harlingen Distributing Sandbags

Harlingen, Texas– The City of Harlingen is making sandbags available to residents and businesses starting at 11 a.m. today, September 12. Sandbags are available at the Public Works Facility located at 404 South 54th Street.

The bags are already filled so residents will simply have to show their ID and a current water bill then drive through and City employees will load the bags for them. Residents will be allowed six bags and businesses 12.

Sandbag operations will run through 7 p.m. tonight and resume Thursday at 8 a.m. through 7 p.m.

The City's Emergency Management Team will continue to monitor the weather conditions and if it becomes necessary, more sandbag distribution locations will be opened.

Residents are encouraged to stay abreast of weather conditions and to avoid driving through water should roadways become inundated.
