UPDATE
Shopkins Promoter Looking to Reschedule Cancelled Shows

Harlingen, Texas– The City of Harlingen today continues to work with Footprints Promotions to reschedule two Shopkins performances at the Harlingen Municipal Auditorium. The performances were scheduled for November 2, 2018, but were cancelled the day of the event by the promoter.

Arts & Entertainment and Museum Director, Joel Humphries says the promoter is trying to schedule a makeup day for the performances. In the meantime, customers who purchased tickets can either hold on to their tickets and wait for the new date which has yet to be determined or ask for a refund.

To get a refund, customers must stop by the auditorium office located at 1204 Fair Park Boulevard. For more information, customers can call the ticket office at (956) 216-5990.
