HARLINGEN CDBG PROGRAM SEEKS APPLICANTS FOR HOME REPAIR FUNDS

Funding is available for Harlingen residents whose homes are in need of repairs.

The City of Harlingen Community Development Block Grant Program is accepting applications for the Housing Rehabilitation/Reconstruction Program. The Program provides loans or grants to eligible, low- to moderate-income, City of Harlingen residents who wish to make repairs to the home they own and reside in.

“If your home is in disrepair, and you lack the financial means to address those issues, you might qualify for this excellent, funding resource,” said Community Development Director Tammy DeGannes-Jackson.

The City of Harlingen works diligently on acquiring grants aimed at neighborhood revitalization.

“Our City is fortunate that the CDBG Program provides communities with resources to address a wide range of unique, community development needs,” said City Manager Dan Serna. “This Program is one of them.”

Funding applications are available at the Community Development Department located at the Lon C. Hill Building, 502 E. Tyler Ave. They may be submitted from 9-11 a.m. and 1:30-4 p.m. Tuesday through Thursday. The applications are also available on the City of Harlingen Web site at www.myharlingen.us.
