## Keeping Our Schools & Campuses Safe Harlingen HCISD/Public Safety Exercise

In our ongoing partnership to keep our HCISD students, teachers, staff, and our campuses safe, leadership from the Harlingen Consolidated Independent School District, Harlingen Fire and Police Departments, and South Texas Emergency (EMS) participated in a joint “Table Top Exercise” this morning at HPD Headquarters.

During this second in a series of ongoing exercises, participants dealt with simulated real-time emergency situations occurring in partnership with our school district family and public safety families. Participants worked together to update emergency plans, strengthen partnerships, and improve parent/public notifications. At the conclusion of the exercise, the group discussed opportunities for growth and formulated plans for improvement. Follow up sessions are being scheduled.
